

Driving VS Daycare

Did you know...

that the average yearly cost of daycare for **ONE CHILD** in Pennsylvania is **\$10,644**

The average monthly cost for a young child to attend daycare is **\$887**, which means you'll be spending nearly **\$11 thousand a year** on care for your child. These costs increase dramatically if you have more than one child that needs daycare.

So, what does this have to do with Rohrer Bus?

Our bus drivers are able to bring **TWO PRESCHOOL-AGED KIDS** on the bus with them; this means Rohrer employees **don't have to worry** about the high costs of daycare!

In fact, if you have a kid in daycare, you'd have to earn **at least \$26,894** annually to be better off financially than a Rohrer bus driver! This figure only accounts for one child, so if you have more than one kiddo, this number will steeply increase.

HERE'S HOW THE NUMBERS ADD UP:

\$75.....	(daily average pay)
x 180.....	(days in school year)
<hr/>	
\$13,500.....	(annual working pay)
\$250.....	(weekly summer unemployment benefit)
x11.....	(weeks in summer)
<hr/>	
\$2,750.....	(total unemployment benefit)
\$13,500.....	(annual working pay)
+ \$2,750.....	(summer unemployment benefit)
<hr/>	
\$16,250.....	(total annual income)
\$16,250.....	(total annual income)
+ \$10,644.....	(annual childcare cost)
<hr/>	
\$26,894.....	(Amount you'd need to earn at another job to be better off financially than a bus driver)

Are there any other perks?

OF COURSE! Here are just a few of the reasons driving a school bus for Rohrer is great:

- Have summers, holidays, and weekends off
- We pay for your training and licensing
- Drive between 6:00-9:00 am and 2:00-5:00 pm: have the middle of your days free
- Fun company perks, such as New Hire and Safety Breakfasts, Knoebels picnics, etc.

And the biggest benefit of all: you get paid to spend invaluable time with your kids during their most formative years. What could be better than that!
